Morande Vigno Old Vine Carignan

Vina Morande

Chile - Central Valley Region - Maule Valley

A wine that embodies the winemaking tradition of the Maule coastal drylands. Made from old Carignan vines grown using the gobelet method, this blend with Syrah is part of Chile's first recognized appellation of origin: VIGNO. Its deep and vibrant character, the result of poor soils, a humid Mediterranean climate, and traditional techniques, faithfully expresses the heritage of the valley and the spirit of collaboration that gave rise to it.

Origin: D.O. Santa Elena de Loncomilla, Maule Valley

Color: Very intense purple-red.
Aroma: Intense notes of tart cherries, red cherries, and black plums, with violets and subtle hints of coffee and dark chocolate.
Flavor: Juicy and fresh red fruit, tense structure, marked tannins, and great concentration. A young wine with great persistence and aging potential.

Specifications

Appellation	Maule Valley
Wine Type	Red
Varietals	91% Carignan and 9% Syrah (2022) ; 88% Carignan and 12% Syrah (2021)
