Laird Cabernet Sauvignon Flat Rock Ranch

Laird Family Estate

United States - California - Napa Valley

Laird's Flat Rock Ranch vineyard is located near the north corner of where Yountville Cross Road meets Silverado Trail, on State Lane. This prized, complex fruit from the Yountville Appellation is a result of unique geological and meteorological conditions: volcanic soils similar to the adjacent Stags Leap District, but also display ancient coastal deposits, and sedimentary and alluvial soils that provide beneficial stress for our vines. Marine air currents from San Pablo Bay to the south are caught when they reach the "Yountville Mounts," providing a natural cooling effect that balances warm, sunny days that ripen the rich tannins of our hallmark Cabernet Sauvignon to elegant distinction.

Bold violet-red color introduces a captivating bouquet of blueberries, tea leaf, and vanilla. This full-bodied wine has flavors of cassis, hazelnut and briary undertones with fresh acidity and chewy tannins on the palate.

Specifications

Appellation	Napa Valley
Varietals	100% Cabernet Sauvignon
Soil type	volcanic soils; ancient coastal deposits; sedimentary and alluvial soils
Vinification	Aged 21 months in French oak (50% new)

Codes, Weights and Measures

UPC	8 97046 00126 5
