

Château de Ségriès Lirac

2009 Cuvée Réservee

88 pts

"Fifty percent Grenache, 30% Syrah and the rest Cinsault, Mourvedre and Carignan, this has more earthy, foresty notes, an opaque ruby/purple color, hints of incense, blue and black fruits, medium body and light to moderate tannin in the finish. It is just becoming drinkable yet should age reasonably well for 5-7 years."

KYSELA PERE et FILS, LTD.
