

# Château de Ségriès

# Lirac

2009 Cuvée Réservee

**88** pts

*Robert Parker*  
Wine Advocate

"Fifty percent Grenache, 30% Syrah and the rest Cinsault, Mourvedre and Carignan, this has more earthy, foresty notes, an opaque ruby/purple color, hints of incense, blue and black fruits, medium body and light to moderate tannin in the finish. It is just becoming drinkable yet should age reasonably well for 5-7 years."
