2003 CÔTES DU RHÔNE

**90+ pts**

"The 2003 boasts a dense purple color in addition to a big, sweet, but backward bouquet of scorched earth, roasted meats, black fruits, and a hint of barrique. Medium to full-bodied, more tannic and rich, the 2003 requires 1-3 years of bottle age. It should hit its peak by 2006-2007, and last for a decade or more."
