

Guillemot-Michel Mâcon-Villages

2003

92 pts

"A sumptuous, concentrated wine, the 2003 Macon-Villages explodes from the glass with copious quantities of spicy ripe white fruits. This wonderful offering bursts with richness yet remains fresh, pure, and delineated. Its flavor profile exhibits lush layers of pears and apples as well as an ethereal minerality that lingers in its prolonged finish. Drink it over the next 5 years."
