YASA  
Old Vines Garnacha  
CALATAYUD

**beverage dynamics** 90 pts

"From the gold mine for grenache in Spain, Calatayud, comes this bright red fruit bomb; on the crisp side, with plenty of raspberry, cherry and spices, the high acidity and light body make it ideally suited to a wide range of foods, especially salmon; its low price makes it an astounding bargain."

KYSELA PERE et FILS, LTD.
