

# BIG SNAIL

Bourbon barrel-aged Imperial Stout brewed with Fireweed honey

**STYLE:** Imperial Stout

**ABV:** 13.2%

**MALT:** 2 Row, Munich, Rye Malt, Malted Wheat, Oats, Roasted Barley, Chocolate Malt, Black Malt

**ADJUNCTS:** Fireweed Honey

**PACKAGES:** 375mL Bottles (12.7oz)

Brewed with heaps of malt, spicy Fireweed honey, and aged in bourbon barrels for 15 months, this collaborative effort, created and blended with Our Mutual Friend Brewing Company (Denver, Colorado), carries notes of chocolate covered toffee, spice cake, and floral honey. Entice Big Snail out of its shell by allowing it to warm slightly in the glass before enjoying.
