

Saison des Rêves

Saison des Rêves was conceived over a series of emails with our friend and idol Yvan de Baets, we landed upon a spelt heavy saison recipe that speaks true to both of our outlooks on Saison.

Snappy bitterness is coupled with a massive wave of melon and freshly cut wet grass from a dry hop of Huell Melon. Finally, we naturally carbonated Saison des Rêves in cans and kegs for ultimate crushability.

Perennial Artisan Ales is a small batch craft brewery dedicated to producing unique, premium beers. Our beers are brewed with the experimental, seasoned craft beer drinker in mind.
