Imperial Stout
with pretzels, chocolate sauce, and peanuts

Limited Release
ABV: 12%

**Brewed in collaboration
with Churchkey**

Made to celebrate the 10th Anniversary of Churchkey, this is a massive imperial stout. Brewed with pretzels, and a touch of sea salt added on the tail end. Chocolate sauce was added during fermentation, then the brew was steeped on a fairly reasonable amount of whole roasted Virginia peanuts. Roasted peanuts give a lush aroma, with a balance of peanut and salt on the palate.
