# POOL BOY IPA

Pool Boy is a bold & juicy India Pale Ale with bold citrus flavors and a satisfying dry hop finish. This beer is aggressively hopped late in the boil with Citra and Mosaic hops and dry-hopped similarly late in fermentation. The initial aroma hits you in the face with notes of stone fruit, mango, and berry. Upon the first sip is a tropical, fruity, and citrusy explosion with almost no bitterness making this Pool Boy a year-round necessity!
