

# Wanderlust, Belgian Blond Ale

In collaboration with

**LAKE ANNE  
BREW HOUSE**

After a year of quarantine, we're all dreaming of traveling to the world's greatest beer destinations. To satisfy this "Wanderlust," Winchester Brew Works and Lake Anne Brew House collaborated to brew this perfect Belgian Blond Ale. Smooth malt sweetness combines with spiced fruity esters from the Belgian yeast. This light, dry ale starts crisp and finishes with a warming alcohol character that leaves one dreaming of wandering the streets of Brussels.
