

Wolfberger

GRANDS VINS, CRÉMANTS
& EAUX-DE-VIE D'ALSACE

Fleur de Bière

"Complex and herbaceous, this unusual "beer flower" spirit shows lots of bold anise in the aroma. The palate is more subtle, with the anise woven in alongside caraway, white pepper and cayenne, all accenting a hoppy zing. Consider subbing for gin or aquavit in cocktails to play up those nuanced spice notes."
