

BAVENCOFF BOURGOGNE ROUGE

Bavencoff Yvan

France - Burgundy - Bourgogne Pinot Noir

ABOUT THE WINERY

In 2003, a group of young winemakers decided to put their efforts together in order to succeed in the conquest of export. The grapes are selected among the best appellations of Burgundy to share the values and the history of this beautiful vineyard. All the wines are crafted with a great respect for tradition.

ABOUT THE WINE

Color of medium intensity, purplish in its youth at present, changing to ruby then garnet, after several years in the bottle. The nose offers intense aromas of cherries, kirsch and fresh strawberry. The palate is perfectly balanced between round tannins and an elegant freshness. It is harmonious and medium-bodied with a silky and elegant texture and a delicious lingering finish.
