"Displays expansive red berry, floral and spice scents that pick up a hint of licorice

with aeration. In a weighty style for a pink wine, offering gently sweet raspberry and cherry flavors and a strong suggestion of candied flowers. Finishes smooth and broad, with repeating red fruit character and a hint of spicy white pepper. - Josh Raynolds"

"Medium red. This 100% Garnacha rosé offers ripe red berry aromas and flavors. It's soft and lush on the palate.
