2020

"Deep, brilliant ruby color. Sharply focused, spice-tinged black raspberry, cherry, potpourri and garrigue scents pick up a smoky mineral nuance with air. This offers concentrated raspberry, kirsch, succulent herb and floral pastille flavors, lifted by a suggestion of white pepper. Fine-grained tannins come in slowly and add shape and grip to a strikingly long, floral driven finish, showing firm tension and final cut. Raised in concrete and stainless steel tanks.
