

CHAVY-CHOUET

SAINT-AUBIN

1^{ER} CRU

LES MURGERS DES DENTS DE CHIEN

Looking down over the grand crus of Puligny-Montrachet, these vines grow on limestone soil covered with white pebbles.

Surface area: 0.17Ha

Age of the vines: 30

Varietal: Chardonnay

Planting density: 10000

Soil type: Marly limestone

Ageing: 12 months with 20% new barrels

Tasting notes: The lofty location of this plot and its impoverished soil result in a fine, subtle wine with more marked acidity. It is a feminine wine, evolving slowly with notes of blossom and spice, before taking on greater density and revealing its power.
