Winemaking

Hand picked, hand sorted and whole cluster fermented. Daily pump-overs and left on skins post-fermentation for 10 days. Matured in French oak for 16 months, 20% new.

On the nose

This wine shows raspberry, plum and white pepper on the nose.

On the Palate

This wine offers red plum, cherry and a touch of herbs with a fresh finish.

Food Pairings

This wine is the star of any BBQ: burgers, grilled portobello or smoked chicken. Also delectable with a charcuterie plate.
