

# CHRONOS

## PINOT GRIS

OKANAGAN VALLEY BC VQA 2021

Chronos takes the time to craft evocative wines. Each sip weaves the senses together into a harmonious experience, gradually revealing the wine's complexity. We invite you to savour the magical connection with the moment.

Raising a glass of Chronos inspires delightful and soul-stirring moments.

### Winemaking

Hand harvested and hand sorted, this Pinot Gris comes from a small family vineyard in Summerland with ideal conditions and breathtaking views. The grapes were whole bunch pressed and fermented at cool temperatures to retain the fresh fruit aromas. The wine remained on lees after fermentation for 2 months to add texture and character.

### On the nose

The wine opens with notes of Granny Smith apple and stone minerality, followed by citrus and melon.

### On the Palate

Expressive flavours of pear, peach blossom, melon and lemon on the palate with a wonderfully long finish.

### Food Pairings

Whether you pair this with grilled halibut or roast chicken and fries, you are going to be happy.

**Vineyard** Dragon Mountain Vineyard | **Winemaker** Lynzee Schatz
