"The grenache syrah-cinsault-trio, refreshed with a touch of clairette (10%) works wonderfully in this radiant and fashionable tavel. A light ruby shimmering robe with apricot reflections opens up to an explosive and decadent bouquet (strawberry syrup, blackcurrant candy). The delicacy is echoed in the fleshy and slightly amygdalinate palate, lively and energized from start to finish by a very nice freshness and a long tangy finish with lemon peel accents. A modern and lively version of tavel that provides instant pleasure and will be hard to keep in the cellar for long."
