

# AMBASSADEUR DE GRAVES

AWARDED BY CONSUMERS

CHÂTEAU CRABITEY RED 2019  
HAS BEEN AWARDED

"AMBASSADEUR DE GRAVES"

CHATEAU  
CRABITEY

This distinction of excellence, unique in France, aims to highlight the approach of the selected Chateaus, which become ambassadors of a veritable know-how: respect of the vine, nature and environment - mastery of vinification processes - hospitality of quality at the property.

Distinctive point: the selection is appointed  
**by consumers, for consumers.**

It is therefore a great recognition of the work done by our team, whose primary objective is the quality of wines.
