

## 2018 4 Gatos Locos Malbec

Argentina – Valle de Uco – Gualtallary

*“4 bottles, 4 different labels, a single desire for a great wine.”*

4 Gatos Locos is a project created by Gabriel Bloise, Facundo Bonamaizon, Mariana and Juan Pelizzatti - winemaker, viticulturist and founders of Chakana Winery (respectively). The project centers on a 20-hectare vineyard in Alto Gualtallary, the most prominent growing region in Argentina. The vineyard is situated 1,360 meters above sea level, on a 10% slope on the Sierra del Jaboncillo - a relatively old geological formation near the alluvial fan of the Las Tunas river, in the Tupungato area. The long exposure to arid conditions of calcium rich gravel has created one of the most calcium carbonate-rich areas in Mendoza. This combination of altitude, slope, gravel and the calcium carbonate create uniquely deep, textured wines, with intense color and mineral freshness.

4 Gatos Locos is packaged with 4 different labels, reflecting the different personalities of the partners in this project. It represents an authentic collective effort to develop an outstanding wine that captures the essence of its place.
