

Domaines Dominique Piron

MORGON

Côte du Py

The Morgon Cru is based in the heart of Northern Beaujolais. Côte du Py is a little hill of very old blue stone rocks – the oldest soils of Beaujolais (around 430 millions years old), with a typical blue color.

Classic aromas of red berries, cherry, kirsh. Fruity, structured and mineral in the mouth with graphite flavors and spicy notes of black and white pepper.
