JEB DUNNUCK

"The 2015 Brauneberger Juffer Riesling Auslese boasts a big, sweet, full-bodied style that nevertheless stays clean and nicely balanced. Showing lots of sugared citrus, quince, mint, and hints of diesel fumes, it shines for this mid-palate depth, has terrific balance between its acidity and sugar, and offers a great finish. This cuvée comes from vines planted in 1990 and was brought up all in large oak barrels."
