

Ferren Wines

2020 Vintage - *Technical Sheet*

Sonoma Coast Chardonnay

The Sonoma Coast bottling is a blend of barrels from our single vineyard offerings; Lancel Creek, Silver Eagle, Volpert, and Frei Road Vineyards. The wine is always somewhat more approachable early in its life as we use less new oak in the blend. Pure and translucent fruit is the hallmark of this *cuvée*. Citrus, quince, sea spray, and minerals are buoyed by refreshing acidity and a seamless finish.
