

# GAMBA *Zinfandel*

FAMILY RANCHES 2013

"The 2013 Zinfandel Family Ranches has a dense ruby/purple color, and the wine shows glorious levels of blackberry and cherry fruit with pepper and roasted meat. It is unctuously textured, full-bodied, and a terrific, rich, heady Zinfandel to drink over the next 5-7 years. These are pretty serious Zinfandels and certainly Gamba's name is going to have to be included with some of the stars of Sonoma, such as Hartford Court, Carlisle, Bedrock and even the superstar Turley over in Napa."
