

HOOPLA

2019 HOOPLA CABERNET SAUVIGNON CALIFORNIA

The 2019 vintage was a classic Californian vintage, with seasonably warm days through the growing season balanced by nighttime temperatures cooled by the Pacific Ocean. The harvest season was completed uneventfully in October before the fall rains began, giving the vines as much time as was needed to slowly ripen their crop to the fullest.

TASTING NOTES

“The 2019 Hoopla California Cabernet Sauvignon is an extroverted and cheerful Cabernet, with classic flavors and aromas of ripe cherries, red currants, and freshly roasted coffee. Pair this crowd pleaser with roasted chicken served with garlicky spinach and wild rice.”
