JEB DUNNUCK

"Only made in top vintages, the 2018 Cornas Mère Michel is a tribute to Johann's wife and a play on the French song "La Mere Michelle." Brought up in a new demi-muid, it's a richer, broader wine compared to the Cuvée Jana yet still has incredible Cornas style in its red, black, and blue fruits as well as notes of toasted spice, roasted meat, chocolate, and wild herbs. Rich, full-bodied, and opulent, it has a touch more upfront appeal and should be drinkable in just 4-5 years yet also evolve for two decades."
