2018 Napa Valley Cabernet Sauvignon

The Cabernet Sauvignon is sourced from our favorite vineyards: Flat Rock, Mast Ranch, and Linda Vista Ranch. The blending of these vineyards creates a wine that offers bright acid, robust dark fruit, and firm, elegant tannins. A touch of Malbec was added to enhance the depth and structure of this wine, resulting in a wine that is fruity, delightfully balanced, and approachable.

TASTING NOTES

With its inky purple hue, this cab is a true showstopper. The aromatic nose plays delicately across your olfactory with notes of ripe plum, black cherry, boysenberry and oak spice. The palate is nicely balanced with soft tannins and juicy acidity, while concentrated flavors of cocoa, molasses, and blackberry preserve linger on the finish. This wine will pair wonderfully next to a grilled prime aged steak or your next cigar club meeting. Drink now through 2034.
