2014 Jillian's Blend Napa Red Wine

Flavors of clove, vanilla
and blueberry custard...

Complex and precocious just like the real Jillian. Its deep, ruby red appearance accompanied by viscous legs leads the way to a seductive bouquet of toasted oak, lavender and ripe strawberries. A medium bodied palate, with delicate tannins and acidity, leads the way to tart dusty cherries and boysenberries that dance across your palate, while flavors of clove, vanilla and blueberry custard unfold on the finish. 2,485 cases produced.
