

## 2020 Lexicon Cabernet Sauvignon Napa Valley *United States - California - Napa Valley*

Lexicon varietal wines are carefully selected by Fran Kyselá to show the essence of each variety, along with its terroir of origin, both of which are essential elements of a good wine.

Lexicon Cabernet Sauvignon offers rich and concentrated fruit aromas of red and black currant, cassis and black cherry along with black pepper and dried herb accents. It is soft and generous in the mouth, intense and complex, with supple tannins and elegant structure.
