"The 2018 The Age of Grace Viognier is sourced from Elgin and matured mainly in used barrels with some concrete eggs for 11 months. It has a well-defined bouquet of pressed yellow flowers and crushed stone scents that gain intensity with aeration. The fresh, vibrant palate is poised and harmonious, delivering a fine bead of acidity and a lick of salinity on the finish. Superb! - Neal Martin"

"With its cool southern exposure at the foot of the Riviersonderend Mountains, Samantha O'Keefe's vineyard produces a quiet yet powerful viognier. It's rich and waxy, the bright citrus-oil flavors supported by the oak structure."
