"The 2017 Chardonnay is matured on the lees for 11 months in 300-liter barrels. It is well defined and quite Burgundian on the nose – think fine Chassagne-Montrachet. The well-balanced palate is linear and focused, offering flavors of citrus lemon, orange pith and quince. The taut finish suggests that it will benefit from a couple of years in bottle, if you can resist its nascent charm. Superb.
- Neal Martin"
