"I adored the 2019 Bandol Cuvee les Bartavelles, which features a dark, saturated purple-black color, seductive scents of vanilla, cedar, blackberries, plums, and cola. Almost entirely Mourvèdre (it contains 5% Grenache), it's full-bodied, rich and modern in style, yet not without local character, as it picks up hints of tree bark and adds some dusty tannins on the long finish." - Joe CZERWINSKI"
