WINE ENTHUSIAST

"Milton Park is Thorn-Clarke's everyday range of wines. This vintage of Chardonnay is a bright and highly likable little number that offers a mélange of aromas like peach, melon, pressed buttercup flowers and honey. The palate is textural and creamy (although doesn't appear to have any oak influence). There's a pithy, waxy quality here that makes this an easy pairing with richer creamier cuisine. - CP"
