"This is as good as it gets for Washington Cabernet Sauvignon. Right away the gorgeous crème de violette and crème de cassis tones join blackberry cordial, exotic spices and dark chocolate shavings. The combination of finesse and texture is downright scintillating. Sweet pipe tobacco is woven together with Black Forest cake, and fresh blueberries and graphite with shades of tar take shape on the palate. Truly sensational even at the three year mark, this will provide drinking enjoyment over the next 20 plus years.
