## RUBUS ORGANIC RED BLEND

*Spain – Castilla-La Mancha - La Mancha*

### ABOUT THE RUBUS PROJECT

The Rubus Project was created by specialty importer Fran Kyselá as a way to source & sell incredible wines at value prices. All wines in this international project are hand-selected by Fran Kyselá. Rubus wines are fruit driven, true-to-type values that over deliver – a true representation of quality for the consumer at an excellent price.

### ABOUT THE WINE

This Organic Red Blend from La Mancha is 75% Tempranillo & 25% Syrah. It's made in a Rhone style, with whole berry fermentation proceeded by skin contact. You'll find a dark purple color, rich cherry fruit, freshness and a surprisingly long finish that's almost too good to be true for a value wine.
