

Château
Thibeaud - Maillet
— POMEROL —

Chateau Thibeaud-Maillet dates back from the French Revolution. This 4-acre estate is located in the hamlet of Maillet, North-East of the Pomerol appellation, half a mile away from the most famous Chateaux (Petrus), sharing the same type of blue clay veins in the soils.

This 100% Merlot offers a rich and elegant nose of dark currants with a hint of leather, pencil shavings and dark flowers, along with well integrated touches of wood. The wine is nicely balanced and layered with fine acidity and silky tannins. Great length with clean fruit, minerals and spices in the aftertaste.
