JEB DUNNUCK

"The 2018 Châteauneuf Du Pape is 80% Grenache and 10% each of Syrah and Mourvèdre. Herbes de Provence, ground pepper, violets, and red and black currants all flow to a medium to full-bodied, round, supple, sexy wine that's very much in the style of the vintage. My money is on it being an outstanding wine, and it's going to drink nicely right out of the gate."
