

SUSQUEHANNA

Shady Spot

LEMON SHANDY

Susquehanna Brewing Co. was awarded a gold award in the fruit beer style category for its Shady Spot Shandy, a lemonade-infused ale brewed the traditional dry, English-style way that makes the perfect quencher on a hot summer's day.

Shady Spot is the most handcrafted brew in Susquehanna's lineup. Each batch of the lemon mixture that goes into the ale-based brew is carefully blended by hand.
