

Jozen Mizuno Gotoshi Junmai Ginjo Hiyaoroshi Namazume

Aromas are forward, fresh, and fruity in the nose with notes of sweet melon, cherries, and hints of vanilla. Flavors on the palate evoke pumpkin pie, roasted nuts, and stewed plums. This sake is medium-bodied and accented with medium acidity, showing classic Jozen minerality and a lingering dry finish. Additional 7 months of aging adds depth and roundness.
