

ALAIN DE LA TREILLE

*Le Rosé*

90 POINTS

2019

**JEB DUNNUCK**

" Quite elegant and complex, it has medium-bodied richness on the palate, nicely integrated acidity, and a clean, dry finish. It's more than a simple rosé and grows on you with time in the glass.

 It's going to shine on the dinner table (or with tapas) over the coming summer months."
