JEB DUNNUCK

"The Cabernet Sauvignon-dominated release from Peterson, the 2017 Sestina comes from the Red Willow, Bacchus, and Dionysus vineyards.

Rocking levels of crème de cassis, sappy herbs, violets, and cedar pencil all flow to a full-bodied, incredibly pure, polished 2017 that offers flawless balance, ripe tannins, and a great, great finish.

It's more approachable than normal yet is still going to evolve for 15 to 20 years. The blend is 77% Cabernet Sauvignon, 17% Merlot, and the rest Cabernet Franc, all raised 20 months in

50% new French oak."
