### WINE ENTHUSIAST

"This single-vineyard wine comes from a parcel that sits at 1,300 feet facing the Mediterranean sea. Its dark color, fabulous ripe fruits and perfumed character give it both richness and longevity. With 95% Mourvèdre, it has all the structure, dark tannins and spice of this grape that is at its best in this appellation. Drink this wine from 2023. - Roger VOSS"
