ESTATE SELECTION

## CABERNET FRANC

2020

"The 2020 Cabernet Franc Estate Selection comes from the Uco Valley and was aged for six months in French, 500-liter barrels. A rich reddish color. The nose offers ripe raspberry and blackberry with hints of mint and herbs that enhance the other flavors. The aging process makes itself felt in the mouth. The flow has a terse, broad texture initially, but then it grows more compact and linear. The mild acidity enlivens the reactive tannins, which establishes a good structure. A balanced take on the year, it will grow milder with more time in the bottle.
