JEB DUNNUCK

"Mostly Grenache (there's 30% Syrah and 10% Mourvèdre), the 2017 Vacqueyras Château Mazane offers classic ripe cherry and darker berry fruits as well as plenty of garrigue, pepper, violets, and earthy aromas and flavors. It stays straight and focused on the palate, with plenty of concentration and structure, and is going to keep for 8-10 years."
