"Recruiting top MCC expert Paul Gerber was quite a coup for Jean-Philippe Colmant and seems to be paying dividends in the bottle. Very lightly wooded, this bracingly dry all-Chardonnay Blanc de Blancs uses fruit from Franschhoek, Robertson and Elgin, with 16% reserve wine dating back to 2006. Structured, bready and bracingly taut, with aniseed and citrus flavours, subtle autolysis and a lingering finish.

Sublime stuff."
