

CORTENOVA

Pinot Grigio

Italy - Veneto

CortenoVA Pinot Grigio is sourced from vineyards on the hillsides of Gambellara, in Veneto's Vicenza province. The area is famous for its volcanic soil - tophus and basaltic rocks that emerge on the surface in columns with polyhedric shapes. The soil is rich in mineral salts, potassium and magnesium, giving the grapes great richness and aromatics.

The wine displays a brilliant straw color with emerald reflections. Fresh and floral on the nose, with a hint of pears, apricots and bananas. An inviting taste of bright fruit with a pleasing hint of almond on the finish, this Pinot Grigio is fresh and easy drinking.
