Estate Riesling 2015

91 pts

JEB DUNNUCK

"From vines planted in 1990 and brought up all in stainless steel, the 2015 Estate Riesling from this estate is certainly noteworthy as well as a fabulous value. Beautiful notes of crushed rocks, petrol, and exotic citrus characteristics all flow to a medium-bodied, balanced Riesling that stays clean and dry through the finish. I love its balance, it has terrific purity, and it's going to be incredibly versatile on the dinner table."
