

ES LOQUE HAY.

OLD VINES GARNACHA
2018

93 pts
Robert Parker
WINE ADVOCATE

"This has more depth and complexity, perhaps from the other grape varieties that complement the Garnacha, and probably has a little more acidity and tannin. It has tension, minerality and good acidity, probably from the Moristel, which tends to ripen a little later than the Garnacha.

Tasty.- L. Gutiérrez"
